

Minerallac Strut Fittings and Accessories

Full Range of Quality Fittings and Accessories, Made in the U.S.A.

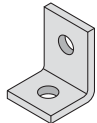

Minerallac's full line of strut fittings and accessories are made in the U.S.A.* and are manufactured using strict quality control standards to ensure the highest quality product possible. For example, robotic welds create strong, solid seals that hold up to high loads. Also, Minerallac Strut Fittings and Accessories are tested for pull out and slip, giving you the peace of mind that your components can be trusted to perform. You can be sure when you order Minerallac Strut Fittings and Accessories that you are getting a high quality, domestically manufactured product at a competitive price.
