

Quality and Innovation Since 1894

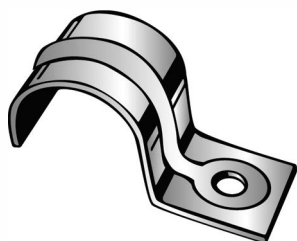

“ORIGINAL” CONDUIT HANGER

- Zinc plated or made from 304 Stainless Steel. (Aluminum, brass, hot dip galvanized or copper plated also available.)
- Sizes fit 1/2” through 5” conduit.
- Available with or without attached nut and bolt.

K-SERIES CONDUIT HANGER

- Incorporates value and ease of use.
- Parts come with bolts only. Keyhole design eliminates need for nut.
- Made from pre-galvanized steel.

ONE-HOLE STRAPS - JIFFY CLIPS

- Five grades of one-hole straps available from our most economic K-series to our best quality “Heavy Duty” series.
- Zinc plated after fabrication or made from pre-galvanized steel depending on strap. Other finishes available.
- Slotted, Duplex and Service Entrance One-Hole Jiffy Clips also available.

TWO-HOLE METAL CONDUIT STRAP

- For use on loads too heavy for Jiffy Clips.
- Made from pre-galvanized steel or zinc plated after fabrication depending on size. Parts made from Stainless Steel also available.
